

Safety Data Sheet Date of issue: 29 September 2017

Version: 1.0

A00978rev*1017

SECTION 1: Identification	
1.1. Identification	
Product form	: Article
Product name	: Accufilm
Product code	: S014, various
1.2. Recommended use and restrictions	on use
Use of the substance/mixture	: Articulating paper
1.3. Supplier	
Parkell Inc.	
300 Executive Drive	
Edgewood, NY 11717	
T (631) 249-1134	
1.4. Emergency telephone number	
Emergency number	: INFOTRAC 1-352-323-3500
SECTION 2: Hazard(s) identification	
	e 2012 OSHA Hazardous Communication Standard and is exempt from this regulation.
2.1. Classification of the substance or m	· · · · · · · · · · · · · · · · · · ·
GHS-US classification	
Not classified	
2.2. GHS Label elements, including preca	autionary statements
GHS-US labelling	
•	
•	e 2012 OSHA Hazardous Communication Standard and is exempt from this regulation. The SDS as and other users of this product.
This product is considered an article under th	es and other users of this product.
This product is considered an article under the should be retained and available for employee	es and other users of this product.
This product is considered an article under the should be retained and available for employee 2.3. Other hazards which do not result in	es and other users of this product.
This product is considered an article under the should be retained and available for employee 2.3. Other hazards which do not result in No additional information available	es and other users of this product.
This product is considered an article under the should be retained and available for employed 2.3. Other hazards which do not result in No additional information available 2.4. Unknown acute toxicity (GHS US)	es and other users of this product.
This product is considered an article under the should be retained and available for employed 2.3. Other hazards which do not result in No additional information available 2.4. Unknown acute toxicity (GHS US) Not applicable	es and other users of this product.
This product is considered an article under the should be retained and available for employed 2.3. Other hazards which do not result in No additional information available 2.4. Unknown acute toxicity (GHS US) Not applicable SECTION 3: Composition/information	es and other users of this product.
This product is considered an article under the should be retained and available for employed2.3.Other hazards which do not result in No additional information available2.4.Unknown acute toxicity (GHS US) Not applicableSECTION 3: Composition/information3.1.Substances	es and other users of this product.
This product is considered an article under the should be retained and available for employed 2.3. Other hazards which do not result in No additional information available 2.4. Unknown acute toxicity (GHS US) Not applicable SECTION 3: Composition/information 3.1. Substances Not applicable 3.2. Mixtures	es and other users of this product.
This product is considered an article under the should be retained and available for employed 2.3. Other hazards which do not result in No additional information available 2.4. Unknown acute toxicity (GHS US) Not applicable SECTION 3: Composition/information 3.1. Substances Not applicable 3.2. Mixtures	es and other users of this product. classification n on ingredients
This product is considered an article under the should be retained and available for employed 2.3. Other hazards which do not result in No additional information available 2.4. Unknown acute toxicity (GHS US) Not applicable 3.1. Substances Not applicable 3.2. Mixtures This mixture does not contain any substances to	es and other users of this product. classification n on ingredients
This product is considered an article under the should be retained and available for employed 2.3. Other hazards which do not result in No additional information available 2.4. Unknown acute toxicity (GHS US) Not applicable SECTION 3: Composition/information 3.1. Substances Not applicable 3.2. Mixtures This mixture does not contain any substances to SECTION 4: First-aid measures	es and other users of this product. classification n on ingredients
This product is considered an article under the should be retained and available for employed 2.3. Other hazards which do not result in No additional information available 2.4. Unknown acute toxicity (GHS US) Not applicable SECTION 3: Composition/information 3.1. Substances Not applicable 3.2. Mixtures This mixture does not contain any substances to SECTION 4: First-aid measures 4.1. Description of first aid measures	es and other users of this product. classification n on ingredients be mentioned according to the criteria of section 3.2 of 2012 OSHA HazCom Standard. : Not expected to present a significant inhalation hazard under anticipated conditions of normal
This product is considered an article under the should be retained and available for employed 2.3. Other hazards which do not result in No additional information available 2.4. Unknown acute toxicity (GHS US) Not applicable SECTION 3: Composition/information 3.1. Substances Not applicable 3.2. Mixtures This mixture does not contain any substances to SECTION 4: First-aid measures First-aid measures after inhalation	es and other users of this product. classification n on ingredients be mentioned according to the criteria of section 3.2 of 2012 OSHA HazCom Standard. Not expected to present a significant inhalation hazard under anticipated conditions of normal use.
This product is considered an article under the should be retained and available for employed 2.3. Other hazards which do not result in No additional information available 2.4. Unknown acute toxicity (GHS US) Not applicable SECTION 3: Composition/information 3.1. Substances Not applicable 3.2. Mixtures This mixture does not contain any substances to SECTION 4: First-aid measures First-aid measures after inhalation First-aid measures after skin contact	es and other users of this product. classification n on ingredients be mentioned according to the criteria of section 3.2 of 2012 OSHA HazCom Standard. : Not expected to present a significant inhalation hazard under anticipated conditions of normal use. : Not expected to present a significant skin hazard under anticipated conditions of normal use.
This product is considered an article under the should be retained and available for employed 2.3. Other hazards which do not result in No additional information available 2.4. Unknown acute toxicity (GHS US) Not applicable 3.1. Substances Not applicable 3.2. Mixtures This mixture does not contain any substances to SECTION 4: First-aid measures First-aid measures after inhalation First-aid measures after eye contact First-aid measures after eye contact First-aid measures after ingestion	es and other users of this product. Classification n on ingredients be mentioned according to the criteria of section 3.2 of 2012 OSHA HazCom Standard. Not expected to present a significant inhalation hazard under anticipated conditions of normal use. Not expected to present a significant skin hazard under anticipated conditions of normal use. Get medical advice/attention if you feel unwell. Rinse immediately with plenty of water. Not expected to present a significant ingestion hazard under anticipated conditions of normal use. Not expected to present a significant ingestion hazard under anticipated conditions of normal use.
This product is considered an article under the should be retained and available for employed 2.3. Other hazards which do not result in No additional information available 2.4. Unknown acute toxicity (GHS US) Not applicable 3.1. Substances Not applicable 3.2. Mixtures This mixture does not contain any substances to SECTION 4: First-aid measures First-aid measures after inhalation First-aid measures after eye contact First-aid measures after eye contact First-aid measures after ingestion	es and other users of this product. Classification n on ingredients be mentioned according to the criteria of section 3.2 of 2012 OSHA HazCom Standard. Not expected to present a significant inhalation hazard under anticipated conditions of normal use. Not expected to present a significant skin hazard under anticipated conditions of normal use. Get medical advice/attention if you feel unwell. Rinse immediately with plenty of water. Not expected to present a significant ingestion hazard under anticipated conditions of normal use. Not expected to present a significant ingestion hazard under anticipated conditions of normal use.

4.3. Immediate medical attention and special treatment, if necessary

Treat symptomatically.

Safety Data Sheet

SECTION 5: Fire-fighting measures	
5.1. Suitable (and unsuitable) extinguish	ing media
Suitable extinguishing media	: Use extinguishing media appropriate for surrounding fire.
Unsuitable extinguishing media	: None known.
5.2. Specific hazards arising from the ch	emical
Fire hazard	: Not classified as flammable but will burn. On combustion, forms: carbon oxides.
Explosion hazard	: Product is not explosive.
Reactivity	: Stable under normal conditions of use.
5.3. Special protective equipment and pr	ecautions for fire-fighters
Firefighting instructions	: Use water spray or fog for cooling exposed containers. Exercise caution when fighting any
Protective equipment for firefighters	chemical fire. Prevent firefighting water from entering the environment.Do not enter fire area without proper protective equipment, including respiratory protection.
SECTION 6: Accidental release meas	sures
6.1. Personal precautions, protective equ	
6.1.1. For non-emergency personnel	
Emergency procedures	: None reasonably foreseeable.
	·
6.1.2. For emergency responders	· Not applicable
Protective equipment Emergency procedures	: Not applicable. : None reasonably foreseeable.
	. None reasonably loreseeable.
6.2. Environmental precautions	
No special environmental precautions required.	
6.3. Methods and material for containme	
Methods for cleaning up	: Mechanically recover the product. For further information refer to section 13.
6.4. Reference to other sections	
Refer to sections 8 and 13.	
SECTION 7: Handling and storage	
7.1. Precautions for safe handling	
Precautions for safe handling	: None reasonably foreseeable.
Hygiene measures	: Handle in accordance with good industrial hygiene and safety practice.
7.2. Conditions for safe storage, including	ng any incompatibilities
Storage conditions	: Keep only in the original container in a cool, well ventilated place away from : Incompatible materials. Keep container closed when not in use.
Incompatible materials	: Strong bases. Strong acids.
SECTION 8: Exposure controls/perso	anal protection
8.1. Control parameters	
No additional data available	
8.2. Appropriate engineering controls	
Appropriate engineering controls	: None under normal use.
8.3. Individual protection measures/Pers	
Hand protection:	
Not required for normal conditions of use	
•	
Eye protection:	
Not required for normal conditions of use	
Respiratory protection:	
Not required for normal conditions of use	

Other information:

Do not eat, drink or smoke during use.

SECTION 9: Physical and chemical	properties
9.1. Information on basic physical and	chemical properties
Physical state	: Solid
Colour	: Red, black
Odour	: Hydrocarbon-like
Odour threshold	: No data available
pH	: No data available
Melting point	: No data available
Freezing point	: No data available
Boiling point	: No data available
Flash point	: No data available
Relative evaporation rate (butylacetate=1)	: No data available
Flammability (solid, gas)	: Non flammable.
Vapour pressure	: No data available
Relative vapour density at 20 °C	: No data available
Relative density	: No data available
Solubility	: No data available
Log Pow	: No data available
Auto-ignition temperature	: No data available
Decomposition temperature	: No data available
Viscosity, kinematic	: No data available
Viscosity, dynamic	: No data available
Explosive limits	: No data available
Explosive properties	: No data available
Oxidising properties	: No data available

9.2. Other information

No additional information available

SECTION 10: Stability and reactivity	
10.1. Reactivity	
Stable under normal conditions of use.	
10.2. Chemical stability	
Stable under normal conditions.	
10.3. Possibility of hazardous reactions	
Hazardous polymerization will not occur.	
10.4. Conditions to avoid	
Do not expose to heat.	
10.5. Incompatible materials	
Strong acids. Strong bases.	
10.6. Hazardous decomposition products	5
On combustion forms: Carbon oxides.	
SECTION 11: Toxicological informat	tion
11.1. Information on toxicological effects	3
Acute toxicity	: Not classified
Skin corrosion/irritation	: Not classified
Serious eye damage/irritation	: Not classified
Respiratory or skin sensitisation	: Not classified
Germ cell mutagenicity	: Not classified

Safety Data Sheet

Callety Data Officer	
Carcinogenicity	: Not classified
Reproductive toxicity	: Not classified
Specific target organ toxicity (single exposure)	: Not classified
Specific target organ toxicity (repeated exposure)	: Not classified
Aspiration hazard	: Not classified
Likely routes of exposure	: Ingestion. Inhalation. Skin and Eye contact.
Potential Adverse human health effects and symptoms	: Based on available data, the classification criteria are not met.
symptoms Symptoms/effects	: Not expected to present a significant hazard under anticipated conditions of normal use.
SECTION 12: Ecological information	
12.1. Toxicity	
Ecology - general	: The product components are not classified as environmentally hazardous.
12.2. Persistence and degradability	
Accufilm	
Persistence and degradability	Not established.
12.3. Bioaccumulative potential	
Accufilm	Net established
Bioaccumulative potential	Not established.
12.4. Mobility in soil	
No additional information available	
12.5. Other adverse effects	
Effect on global warming	: No known effects from this product.
GWPmix comment	: No known effects from this product.
Other information	: Avoid release to the environment.
SECTION 13: Disposal consideration	IS
13.1. Disposal methods	
Product/Packaging disposal recommendations	: Dispose in a safe manner in accordance with local/national regulations.
Ecology - waste materials	: Avoid release to the environment.
SECTION 14: Transport information	
Department of Transportation (DOT) In accordance with DOT	
Not regulated	
Transportation of Dangerous Goods	
Not regulated	
Transport by sea	
Not regulated	
Air transport	
Not regulated	
SECTION 15: Regulatory information	
15.1. US Federal regulations	
All components of this product are listed, or exc	cluded from listing, on the United States Environmental Protection Agency Toxic

Substances Control Act (TSCA) inventory

Safety Data Sheet

15.2. International regulations

CANADA No additional data available

EU-Regulations

No additional data available

National regulations

No additional data available

15.3. US State regulations

California Proposition 65 - This product contains, or may contain, trace quantities of a substance(s) known to the state of California to cause cancer, developmental and/or reproductive harm

Carbon black- (1333-86-4)				
U.S California - Proposition 65 - Carcinogens List	U.S California - Proposition 65 - Developmental Toxicity	U.S California - Proposition 65 - Reproductive Toxicity - Female	U.S California - Proposition 65 - Reproductive Toxicity - Male	No significant risk level (NSRL)	Maximum allowable dose level (MADL)
Yes	No	No	No		

SECTION 16: Other inform	nation
Revision date	: 29 September 2017
Other information	: None.
	. 1000.

SDS US (GHS HazCom 2012)

This information is based on our current knowledge and is intended to describe the product for the purposes of health, safety and environmental requirements only. It should not therefore be construed as guaranteeing any specific property of the product
